Houston Welcomes Distinguished Guests

Members of the Swedish Club of Houston and SWEA had the special opportunity to attend a meet and greet at the Houston Saengerbund, where they welcomed distinguished guests visiting Texas.

Among those in attendance were Her Royal Highness Crown Princess Victoria, Swedish Foreign Minister Maria Malmer Stenergard, and newly appointed Consul General Anna Hammurlund Blixt, who took time to meet with members of the community.

The event also included Reverend Maria Scharrfeng of the Church of Sweden in North America, bringing members of the local Swedish community in a warm and celebratory setting.

It was a memorable event held in celebration of the opening of the Consulate General of Sweden in Houston that highlighted the strong ties between Sweden and Houston.
